Each team must provide a competent scorer, both stand together and check the result.

The first named team is collect score card and score the match. Second named team verifys the recording of the scrore during the game.

Scoresheets without players ticked will not have games registered which will effect qualification for finals.

Score card must be filled in with all players, substitutions and fill in players prior to the start of game.

Fill in the FRONT & BACK of the scoresheet.

At end of the game the Winning team scorer organises for the score card to be signed by both Team Captains, Scorers & Umpires. Signing the scoresheet indicates theat the scores and player details are correct.

Scoresheet to be returned to the Competition office by the winning team.
